

Rogue Valley Cavaliers

P.O. Box 510

Merlin, OR 97532

Bill of Sale and Health Guarantee

All Cavaliers bred and sold by Rogue Valley Cavaliers are guaranteed to be healthy at the time of sale. For purpose of this agreement, once the puppy leaves the seller's premises, it is under buyer's control. Notice of any problems with said puppy must be received within 72 hours or this guarantee is null and void.

I.) All our puppies have had a comprehensive examination done by a licensed veterinarian. They have had their 1st set of vaccines and de-wormed.

Please be advised that until your puppy has had its full set of vaccinations, it is susceptible to certain infectious illnesses, and therefore should be kept out of areas where other dogs and other animals have been. This would include parks, pet stores, and even your neighbor's yards. While at the vet, keep your puppy on your lap or in a crate, away from other animals, and off the floor where sick animals have been. When your veterinarian tells you the vaccines are complete, you can begin to show off your new family member.

We strongly discourage the Leptospirosis Vaccine as it is known to have adverse reactions in most Toy breeds. However, educate yourself and make an informed decision.

II.) There are no known problems with our bloodlines, and it is unlikely that you will experience any problems with your new puppy.

Our breeding animals are health tested to be clear of known defects of the Heart, Eyes, and Patella. Nevertheless, we would encourage all new owners to keep us informed of any problems that occur with your Cavalier throughout its lifetime. We very much would like to stay in touch with our new owners. We would love to see pictures of your puppy as he or she grows.

III.) If at any time during the lifetime of your Cavalier, should you find that you are no longer able to care for your dog or give it the quality of care it deserves, please contact Rogue Valley Cavaliers to inform us so that we can assist you in finding it a new home. This applies regardless of the age of the dog. Please do not give any Cavalier away or send it to a shelter.

IV.) Seller assumes no responsibility for the care or protection of puppy after it leaves our premises. We also have no responsibility for medical expenses incurred, landlords' disapproval, family allergy to animal, disagreement of family members, or any other events beyond our control.

There is no guarantee to the adult size or if he/she will be of show quality.

V.) Registration Papers: some puppies are sold on a limited registration, spay/neuter contract. This means under no circumstances may this puppy be used for breeding per the contract and limited registration.

All puppies sold on Limited registration will receive their AKC papers as soon as proof of spay/neuter has been received from your veterinarian. Spay/neuter is usually around 6 months of age, but must be performed no later than 1 year of age.

We encourage you mail out proof of spay/neuter immediately after it is performed. There is an additional fee from AKC if registration papers are mailed after the puppy is 1 year of age.

If a dog is used for breeding, Rogue Valley Cavaliers/Vanessa James/Rheanna James has the right to confiscate the dog and puppies without compensation for dog/puppies. Puppies with limited registration are sold as non-breeding animals only and the breeding of said animals is considered a breach of contract.

Forms of Payment

A non-refundable deposit of \$500.00 is required to hold a puppy for you. This can be sent by personal check that will be cashed right away to hold said puppy. The deposit will be refunded only if we are unable to fill your request. With this deposit, we will hold your puppy until it is time for the puppy to leave our home (usually when the puppy is 9-10 weeks of age).

If you are unresponsive to contact when puppy is ready to be picked up, we will send a registered letter to the address provided by you. If arrangements have not been made to pick puppy up that are acceptable to us within 7 days of registered letter date, then the deposit will be forfeited and puppy will be sold to someone else. All puppies require an exam and health certificate prior to flying. The cost for the flight, exam, and health certificate are the responsibility of the buyer.

All puppies must be **PAID IN FULL** before shipping or taking possession.

Health Guarantee

You must have your puppy examined by a licensed veterinarian within 72 hours after receiving the puppy.

Any concerns must be identified to us immediately. Notice of any problems with said puppy must be received within 72 hours. Your puppy has a 1 year health guarantee against congenital defects which includes heart murmurs that are considered “congenital”, lethal murmurs. This does not include “innocent” puppy murmurs that go away as the puppy grows.

We guarantee the puppy to be free from any “Life Threatening” genetic defects for a period of 1 year from the date of birth. “Life Threatening Defect” is described as a defect causing death or medically indicated euthanasia. Rogue Valley Cavaliers has the right to get a second opinion by the vet of their choice before a dog is euthanized for a genetic defect.

Anything that is considered non-lethal has no guarantee for any period of time. This includes luxating patellas (slipped kneecaps); this is very common in small breeds and is not considered lethal. Seller’s health guarantee does not cover physical abnormalities caused by injury, neglect, illness, poisoning, hernias, dry eye, under or over bite, or un-descending testicles.

We recommend that you consult your veterinarian early about the prevention of heartworm and other internal parasites in your area. Rogue Valley Cavaliers recommend a monthly heartworm/parasite prevention for the life of your Cavalier. It is expected that the buyer will be willing to have yearly exams including heartworm detection, fecal examinations, and all vaccinations required by your veterinarian.

All veterinary expenses are the responsibility of the buyer. We have done regular vet exams on all of our adult Cavaliers, including heart and eye certification and monthly parasite prevention.

Rogue Valley Cavaliers makes no warranty or guarantee as to what your puppy will look like or the size they will be as an adult.

Seller will consider replacement puppy only if the conditions detailed in the Health Guarantee are met. Buyer will be given a replacement puppy of comparable value when one is available and upon return of the original puppy. If the puppy has not visited the veterinarian as agreed and received the examination within the 72 hour time frame, this health guarantee will be **VOID. No Refunds.**

This is a legal and binding contract under the State of Oregon. Any legal matters regarding this contract shall be executed in Court of Law in Josephine County, Oregon. All parties have read and fully agree to the terms and conditions of this contract and therefore sign below stating their agreement.
